# Foreword

TO you, the reader of this, the twenty-third volume of the *PhiPsiChi*, we present the 1938 edition.

We have endeavored to shake the kaleidoseopic experiences of our collegiate year into a design which time will enrichen and enhance.

As we leave Elon with reluctance, may we never renounce our claim to the memories which we, the 1938 staff, have attempted to embody within the covers of this book.

## First Christian Church

# Dedic

Elon College is a child of the Christian Congregational Church. It is a product of the dreams, aspirations, and efforts of devout Christian ministers.

The college is the pride of the Congregational Christians, and they may well be proud of their achievement. We, the members of the graduating class of 1938, consider it our pleasure and privilege to dedicate this edition of the *PhiPsiChi* to those churches and ministers who have made their dream of Elon College come true.

ation

The Largest Church Today

## **A Short History of the Christian Church**

The Christian Church was organized in August 1794, at Old Lebanon, Surry County, Va. In the December previous James O'Kelly and thirty others withdrew from the Methodist conference because of the autocratic Episcopal attitude of Bishop Francis Asbury. At this meeting at Manakintown in 1793, despairing of any concessions from the bishop, they organized, and called themselves "Republican Methodists." At the meeting the following year they discarded this name and decided to simply be called "Christians." At the time of O'Kelly's revolt from the Methodist Church he was a presiding elder in that church. About twenty of his ministers and one thousand members followed him into the new church. The first Christian Church was organized by O'Kelly and his followers in 1794 near Chapel Hill, N. C., and was called O'Kelly's Chapel. The new church grew very rapidly, for O'Kelly was very popular in those regions. He and his followers traveled over parts of North Carolina, Virginia, Kentucky, and as far south as Alabama and Georgia, holding revivals and preaching sermons.

The first college founded by the Christians was Antioch College at Yellow Springs, Ohio, in 1853, with Hon. Horace Mann as its first president. Among the numerous other colleges it has founded is Elon College.

# THE NORFOLK CHRISTIAN TEMPLE

The beautiful Christian Temple held its first worship service Sunday, March 16, 1924. Rev. Leon Edgar Smith, D.D., was the first pastor and Rev. J. O. Atkinson, D.D., delivered the first sermon. The church is the largest one in the conference. It consolidated the Memorial Christian Temple, the Third Christian Church, and the Old Providence Christian Church.

# THE O'KELLY HOME SITE

This three-room log house marks the exact spot on which the Rev. James O'Kelly home stood, prior to the time it was burned. The tree to the left is an elm which doubtless was a large tree even in Mr. O'Kelly's day.

# THE SUFFOLK CHRISTIAN CHURCH

This church was founded in 1861 by the Rev. William B. Wellons, who was the first pastor. In 1892-93 the old building was replaced by a new one. In 1926-28 fifty-two rooms were added. Dr. W. W. Staley was pastor from November 1882 until his death. Rev. John G. Truitt has been the pastor since 1933. The Suffolk Church has a colorful history and is one of the strong churches of the Southern Conference.

HORACE HENDRICKSON  
*Coach*

TOM POWERS  
*Assistant Coach*

Coach Horace (Horse) Hendrickson made his coaching debut at Elon this year after having played four years and acting as assistant coach three years under Wallace Wade at Duke University. His athletic ability while with the Blue Devils gained for him a wide reputation and he is still often referred to as the "immortal Horace Hendrickson." His success continued when he came to Elon, both on the athletic field and on the campus. Coach Hendrickson is producing winning teams for Elon, and in turn, is winning a host of friends and admirers.

Assistant Coach Powers also hails from Duke where he played under the famed Wallace Wade. He is also director of intramural sports, and is well liked on the campus.

The Christian Cannonade—a fine name for a fine team, who not only met the foe but conquered them. The Cannonade was focused on eight strong forces with seven of these being torn almost to shreds, the eighth turning the tables on the Christians—and this was no disgrace. The defeat at the hands of the Appalachian Mountaineers caused the Christians to lose possession of the coveted North State Conference championship which they had held for the past six years.

September 1 showed many new faces and changes adorning Comer Field; not only among the squad, but the coaching staff was entirely rearranged. Coaches Horace "Horse" Hendrickson and Tom Powers took up where the former coaches left off, continuing the winning spirit and fine attitude among the boys. Passing, kicking, and running were the main issues with plenty of blocking and tackling being the fundamentals stressed on considerably. Two drills a day were held until the bombers were well-rounded into shape, and the offensive power was smoothly ironed out as well as the tactics used for the defense.

The season proved to be more interesting and exciting as it progressed. Capt. Joe Caruso led the Can-

nonade to thrilling victories over such teams as V.M.I., Emory and Henry, Davis and Elkins, Naval Apprentice, and Catawba, being the highlights of the successful season. In defeating V.M.I., 12-6, the Christians gained national recognition for scoring the first major upset throughout the nation. Of course, it wasn't considered an upset by the close followers of the Elon team. Although the first downs were against the Cannonade in the Emory and Henry game, the score appeared to be an easy win for the bombers as it ended 24-0. The following Saturday showed the home town folks a great game when the Cannonade put on the pressure in the final quarter to turn back a powerful Davis and Elkins team, 13-6. Lenoir-Rhyne next proved to be easy gunning for the bombers as they ran rough-shod over the Bears 27-6. Probably, the greatest upset in the state was scored when Appalachian turned the Christians 31-0. Weather conditions—snow, which some of the Elon players had never seen, along with the player's mental state, thinking that the game had been called off were two factors which caused the Elon Cannonade to backfire. Coach Hendrickson's squad found it easy to make yardage against the Naval Apprentice school, but had difficulty in putting the ball across the goal line. The bombers kept shooting until they made two hits, one touchdown and one extra point for a 7-0 win. The team was probably at its zenith when they blocked and tackled viciously to overwhelm the Catawba Indians in Salisbury, 22-2. The students also showed power in a fracas held at the half, with the exception of a few who were thrown for a terrific loss. Still going at a great stride, the Cannonade blasted a courageous Guilford team out of the Memorial Stadium in Greensboro, 39-0, with Hal Bradley doing some brilliant pass catching for three of the six touchdowns and converting three extra points.

With the closing of the season honors were bestowed on many of the players which brought plenty of recognition to the school. Placed on the mythical North State Conference team were Abbitt, back; Bradley,

end; Day, tackle; Mastro, guard; and Israel, center, with Abbitt and Mastro being unanimous choices and Abbitt being selected captain of the team. Caruso and Golombek were named on the second team, with Caruso being the only back to be placed on any of the three teams mentioned. Shelton, Lea, and Hurst were also honored, being named to the third team. The Associated Press Little All-American team showed two of the Elon grid players, Abbitt and Bradley, getting honorable mention. These same two players were also good enough to be mentioned with the All-State team. Mastro gained recognition for himself when he was presented with the trophy for being the best blocker in the North State Conference.

With the closing of the season a banquet was given by the alumni, Laurence Leonard, sports editor of the Greensboro *Daily News*, being the principal speaker. A most enjoyable time was had by all connected with the affair, with the following seniors being presented with gold footballs: Abbitt, Beaver, Bradley, Bullock, Capt. Caruso, Day, Mastro, and Manager Maness. The banquet closed with the election of captain for the 1939 Christian Cannonade. This honor was bestowed upon Archie Israel, center and outstanding lineman of the Elon team for the past two seasons.

## V. M. I.

Opening the season as the underdogs, against a highly touted V.M.I. team, the Cannonade turned loose a barrage of bombs that are still resounding out of the hills of Virginia. "Jack Rabbitt" Abbitt started a great season off by scoring both touchdowns for the Elon gunners and booting the ball 70 yards on two different occasions, averaging 45 yards a punt from scrimmage. The V.M.I. Keydets were outplayed in almost every department, with the Cannonade working in a machine-like manner. A penalty against the Christians in the second quarter gave V.M.I. the ball on the five yard line where they scored on an off tackle play. It was a great victory for the Cannonade which probably gained them more fame than has any victory in the history of the school.

## Emory & Henry

Into the hills of Virginia the Christian Cannonade again turned on the power to turn back a supposedly superior Emory and Henry team by the score of 24-0. Repeating his previous activities, Abbitt was again outstanding not only for his running, but for the two long soaring passes thrown to Grundman for touchdowns. Elon's hard-hitting freshman back, Joe Golombek, was also outstanding on the offensive, scoring two touchdowns. Elon's forward walls were impregnable as they threw the Wasp backs for consistent losses. It was at this point that the followers of the Elon team were sure that a great season and a great team were to be had this year.

## Davis & Elkins

The following Saturday night showed beautiful weather, a colorful crowd and a perfect game in the Memorial Stadium in Greensboro as the Cannonade turned on the pressure in the final quarter to down a

highly touted Davis and Elkins team 13-6. The team from West Virginia showed power and precision in the first three quarters outplaying the Christians decisively, having a 6-0 lead going into the final quarter. Amos Shelton, playing in his own backyard, threw two passes to Saecker and Abbitt for touchdowns bringing the game out of the fire, again putting the Elon fans at ease. Because of an operation Bradley missed playing his first game in four years.

## Lenoir-Rhyme

Usually a hard team to beat, the Bears of Lenoir-Rhyme were put back in an easy manner when the Cannonade ran up a score of 27-6. Hard blocking and tackling were the main features of the game as it was so highly noticeable by the fans. Again the fleet-footed Abbitt scored twice with Golombek, also, going over for two six-pointers. The Lenoir-Rhyme team had difficulty in scoring and had to wait 'till the closing minutes of the game in order to do so. The Elon reserves played almost half of this game; there is no telling what the score would have been had the first stringers played the full 60 minutes. It was another great night for the bombers who fly the colors of the Maroon & Gold.

## Appalachian

This was a bad day for the Elon Cannonade. Between the downpour of rain and snow and the fast stepping of Angel and Hudson, Elon was unable to really show their power as they were accustomed to doing in their previous games. Three of Elon's outstanding linemen, Bradley, Hurst, and Mastro were unable to play due to injuries. Golombek again proved himself as being Elon's sensational freshman by breaking through the line for good yardage. The score was 31-0 in favor of the Mountainers.

## Naval Apprentice

It is a known fact that no athletic team of the Naval Apprentice school has ever beaten an Elon team nor have the Christians ever lost a game to the Tidewater district of Virginia, and the squad was determined to uphold this record. The Cannonade had little trouble in making yardage but when it came to pushing the pigskin across the last white stripe the Apprentice team would hold their own. Elon was fortunate to put the ball across when Abbitt, who made an 80 yard punt, threw Saecker a beautiful pass for the only score. Particular notice was taken of the way in which Laughan, an Elon freshman, returned punts.

## Catawba

Ready, willing, and able were the bombers from Elon when they met their old rivals, the Catawba Indians on the latter's home field on a bright November day. The Christians truly proved to be at their best from the very beginning, completely outplaying the Blues and Whites until they were dizzy. The line of the Cannonade was in top form since the Indians got their one and only first down in the last few minutes of the game. Abbitt, Shelton, Caruso, Kazlow and Golombek were just like dynamite when they carried the ball. Clark and Pritchard stood out for the Indians. This was probably the best game Hendrickson's boys

played late in the season as the score ended 22-2. Trouble ensued at the half when the Elon students burnt an Indian effigy at the stake, arousing the ire of the Catawba students. From all appearances and indications the Elon students couldn't be stopped as outside help was brought in to subdue several of the Elonites. It was a great day for all who had traveled to Salisbury.

## Guilford

That old traditional rivalry has almost disappeared between the Christians and Quakers, probably because of the too powerful Elen teams in the different sports. The Christian Cannonade scored at will against the boys of the Red and Gray, trouncing them by a score of 39-0. Hal Bradley was the outstanding player on the field this Thanksgiving day, when he caught three passes and converted three extra points for a total of twenty-one points, these being the most points scored by any player in any one game. Albitt's running was as usual the talk of the fans as he made nine yards per try on the average and also his kicking was one of the outstanding features. Golombek and Pittman, who had been out most of the season with injuries, were also good at carrying the pigskin. The reserves played quite a bit of the game and a courtesy was given Manager Bill Maness when he was put in the last few minutes.

Left to right: (1) WALTER FONVILLE, Halfback; (2) W. T. WALKER, End; HENRY CAPILIARY, End; (4) JOE BRENNAN, Center; (5) IVAN FAGAN, End; (6) DOUGLAS RUSSEL, Guard; (7) JOEL DAY, End.

NORTH STATE CONFERENCE CHAMPIONS 1938

HAL "HUNK" BRADLEY  
*Captain*

This season Elon fans witnessed one of the strongest and most successful teams the Christians have ever had. Credit for this is due to the fine training of Coach Horace Hendrickson, the leadership of Captain Hal Bradley, and the ability of the players. With the exception of the two games lost and the two with High Point College, the opponents were beaten with comparative ease. On the northern trip they were very successful with five victories and one loss. They defeated such strong teams as Washington and Lee, V.M.I., Naval Apprentice, St. Johns, and Randolph Macon. Only the powerful team of George Washington could stop them.

The Elon Cammaders won the North State Conference Championship, placed three men on the All-Conference team, Lloyd Whitley, Hal Bradley, and Richard Cromlish, and was rated by many to be the strongest team in the state.

The season's score leaders were Lloyd Whitley with 172 points, Hal Bradley 167, and Ike Fesmire 120. James Abbitt and Ben Lillien also played a commendable game throughout the season.

Although baseball prospects for Elon this year were not any too optimistic, the opening games did show evidence that the season would be successful. Coach Hendrickson had four good pitchers to build his team around, Tommy Williams, "Dopey" Fuller, Roland Longest and Herbert Jenkins.

James Abbitt was placed on first base, while Amos Shelton took over the catcher's job. The other positions were as follows:

"Wimpy" Fowler, second base; "Jiggs" Roach, third base; Marshall McCraw, short stop; John Van Barrow, right field; Walter Laughon, left field; Freddy Tysor and Eugene Wrenn, center field.

Elon's tennis team of last year completed the finest record ever to be achieved by any team of the past. Out of twenty-four matches they lost only four.

The team took three successful trips. The first was to Florida which resulted in the defeat of Rollins, Stetson, and U. of S. C. The University of Florida was their only unsuccessful attempt on this trip.

Their next trip took them as far north as Pennsylvania. On this trip they easily won over Washington and Lee, Western Maryland, Villanova College, Albright College, and American University. The only match they lost was to the University of Pennsylvania.

A three day trip to Virginia resulted in victories over William and Mary, Lynchburg College, and a loss to the University of Virginia.

The team had no difficulty in winning the North State Conference Championship for which they have held the title for three consecutive years. The team has not lost a match in the conference for the past three years.

The 1937 team line-up is as follows: No. 1, "Rusty" Jones; No. 2, Fred Perkins; No. 3, Gordon Crabel; No. 4, Arthur Greenwald; No. 5, L. E. Smith; No. 6, Eugene Malbon.

## THE INTRAMURAL SPORTS

In the Fall a great deal of interest was shown in the intramural touch football. Each of the boys' dormitories, fraternities, and the Day Students had a team. The I T K proved to have the strongest team.

With the approach of the basketball season the interest was turned to the keen competition of the various campus clubs. The final tournament resulted in the awarding of trophies to the I T K team and the Sigma Phi Beta team.

The rivalry developed in basketball was continued in the spring with soft ball. Many games were scheduled between the clubs and a few with the faculty, which always gives the students a "kick."

The intramurals successfully offered the campus boys good entertainment and wholesome exercise. The program was directed by Assistant Coach Powers and Hal Watts.

## **GIRLS' ATHLETIC ASSOCIATION**

The Girls' Athletic Association promotes the healthful athletic recreational activities of the campus girls by participating in various intramural sports and gym classes.

The sports offered under the supervision of Mrs. McAllister are soccer, volleyball, tennis, archery, baseball, and hiking. The archery classes created much interest.

The Association also added valuable assistance to the May Day exercises.

Mary Bivins was President of the Association for the fall semester, and Evelyn Holmes the spring semester.

*President Student Council*

The students of Elon College are governed by two bodies, the Student Senate for the men and the Student Council for the women. Although the Government is run by the students themselves, the system has proven to be very efficient. The members of both the Council and the Senate are elected from the Student body, by the students for their ability as leaders and their trustworthy characters. The Senate and Council members are to be commended for the splendid work they have done towards promoting coöperation on the campus this year.

## THE BAND

The Elon College Band is conducted by student-director Landon Walker. Under his capable leadership the band performs at the football and basketball games. Behind their drum-major, Harold Hilburn, the band makes a neat marching unit between halves on the football field. Several trips are made each season with the football team.

Concerts are given frequently by the band. The outstanding concert of the season was rendered on the program of the PhiPsiChi's Annual Varsity Show.

## THE MINISTERIAL ASSOCIATION

With fourteen young men preparing for their profession as ministers, the programs of the year have been of unusual interest. At their first business meeting Victor Murchison was elected President, and Thurman Bowers, Secretary-Treasurer.

Every member preached at least once during the year to the Association. Outside lecturers, from the active ministry, and other walks in life, brought interesting talks to this group. Group discussions, held at various times throughout the year, gave members the opportunity to discover viewpoints of others and compare them with their own.

The Ministerial Association had charge of the college Vesper services one Sunday in each month. These services were inspirational as well as interesting to the student body.

## THE HOME ECONOMICS CLUB

At their first meeting the club chose Edith Brannock as their President, Margaret Brown, Vice President, and Melvin James, Secretary and Treasurer. Miss Laura Howard is their faculty sponsor.

The club endeavors to give the Home Economics students an opportunity to put into practice their knowledge through social contacts. They offer their services at teas, banquets, and receptions.

Isaiah Sears, Baxter Bottoms, Emanuel Hedgebeth, LeGrande Moody, Thomas Earp, Dr. French, Director.

## THE DEBATING TEAM

The debating team entered the Dixie Practice Tournament at Winthrop College, Rock Hill, S. C., where they came out with good ranking. At the South Atlantic Tournament in High Point they won four decisions out of twelve. They also held a practice debate with High Point College.

The query of the debate was, *Resolved, that Congress should be empowered with the authority to arbitrate labor disputes.*

The success of the team was due to the untiring efforts of its members and the capable supervision of Dr. French.

To establish a closer relationship between its personnel and the business world is the purpose of the Commercial Club. With this ideal well in mind the Club is constantly devising new methods of better training its members to meet the demands of the business world. Lecturers and demonstrations by competent business authorities are a part of the program. The students also visit modern and well equipped business offices to observe the manner in which the efficient office is run. In this manner the students gain a clear insight into the ways and means of the colorful panorama of business life. Practical experience prepares them to meet the demands and problems which will later confront them. The Club strives to inculcate into its members such inestimable qualities as tact, ethics, and competence which will be of inestimable value to them when they have taken their place in the world of business.

## PAN-HELLENIC COUNCIL.

The members of the Pan-Hellenic Council are representatives from each of the social clubs of the campus. It is their duty to handle all matters dealing with interfraternal relationships.

Each club has equal representation.

The council acts as host to an interfraternal social each semester.

## BUILDERS DREAMS

VISIONS created by the imagination precede the achievement of any really great accomplishment. The ability to weave the threads of imagination into the finished fabric is equally important.

It has been the privilege of the EDWARDS & BROUGHTON COMPANY to cooperate with the staff in creating their vision into material form.

Such coöperation is one of the "visions" which precede the building of a successful business, and is a part of the working policy of the EDWARDS & BROUGHTON COMPANY.

To those Staffs desiring complete co-operation, we offer unexcelled service.

You, too, may be proud of your annual.
